

Midldridge Parish Council

Community Speedwatch

The Police have a scheme called Community Speedwatch whereby local Volunteers are trained in the use of Police “Speed Guns”, which they are then allowed to use to monitor Traffic Speed in their area. Details of any Offending Vehicles are fed into the Police National Computer System, to check whether they have valid Insurance, or have been reported stolen etc. The Police then make a decision as to what (if any) further action to take e.g. issuing Warning Letters.

Knowing how concerned local Residents are regarding the issue of Vehicles speeding through the Village, the Parish Council would like to set up a Community Speedwatch Group, so we are able carry out regular checks of Vehicle Speed. If you are interested in volunteering to be part of this Group, please contact a Parish Councillor or myself.

Potential Volunteers should note that they will be subject to Police “vetting” to ensure that there is no reason for them to be barred e.g. if they have a Criminal Record.
